With this form, I am requesting that you forward my letter of evaluation/recommendation to the American Medical College Application Service (AMCAS), which receives all letters on behalf of medical schools participating in the AMCAS Letters Service.

You can forward my letter to AMCAS in one of the following ways:

- **AMCAS Letter Writer Application:** This application enables letter writers to upload documents securely to AMCAS rather than send letters via the mail. If you are interested in this option, and can upload a PDF version of your letter, make note of the requesting applicant's AAMC ID and AMCAS Letter ID included above and go to <https://services.aamc.org/letterwriter>. You will need to register for your own AAMC account in order to use this service.
- **Interfolio:** AMCAS can receive letters sent to Interfolio if the student requesting this letter is an Interfolio user or your institution/organization uses Interfolio to deliver letters of evaluation/recommendation.
- **Mail your letter:** If you select this option, please **attach this form** to your letter(s) and mail to:

**AMCAS, attn: AMCAS Letters
AAMC Medical School Application Services
P.O. Box 18958

- **VirtualEvals (VE):** VE is available to members of the National Association of Advisors for the Health Professions (NAAHP). If you are a VE user, make note of the requesting student's AAMC ID and AMCAS Letter ID included above and upload your letter(s) to VE.

About AMCAS Letters

AMCAS Letters is a centralized service that enables medical schools to receive all letters of recommendation/evaluation electronically via the American Medical College Application Service (AMCAS), and enables applicants to have their authors send all letters of recommendation/evaluation to be considered by schools participating in this service to AMCAS rather than to each school. For more information about this service, including a list of participating medical schools, please visit <http://www.aamc.org/students/amcas/faq/amcasletters.htm>
